Termination of Joint Membership and Assignment of Capital Credits

I, _____, currently hold a joint membership with _____ for our electric service provided by the Steuben Rural Electric Cooperative, Inc. As such, I acknowledge that I am entitled to receive patronage capital credits in accordance with the Cooperative's bylaws. At this time, I wish to be removed from this joint account and further request this membership be converted from a joint account to a single account. As such, I acknowledge that I am assigning any and all rights to accrued capital credits as a part of this request. Furthermore, I acknowledge that I am not eligible for any accelerated payout of these capital credits and any accrued capital credits will transfer with the conversion of this membership to the remaining party on the account. As a part of this conversion, I acknowledge that I will be assigning the initial membership fee to the remaining party of the account. As such, if I intend to open an account in the future, I acknowledge that I will be required to open up a new membership and will be subject to pay the initial membership fee.
